

ABOUT ME...

16 years ago my husband and I were looking for a family oriented community that would help to nurture our children's growth and development. We decided to move to Oakville, Ontario and three children later we are still ecstatic to live here! Oakville has so much to offer. Because I live here and I love it here I have great pride, and commitment to the community and I would LOVE to share it with you. You are home...with Mirjana Wheeler
